Notification Letter for Statement on Dietary Supplement

Dear FDA officers:

I am the C.E.O. of Masson Health Science, Inc, who is, among other things, a relabeler and distributor of dietary supplements in the Republic of Korea. I am writing as per Code of Federal Regulations, Volume 21, Part 101.93, to notify you that we have included statements on the label and in the labeling of one of our products. The following are the information required in this notification letter:

1. Statement of Purpose:

This is a letter to provide notification of a statement of nutritional support, including the exact wording that appears on the label and labeling for a dietary supplement.

2. Vendor Information:

Name, address, telephone and fax numbers of the manufacturer and distributor for mailing and other communication purposes, are as follows:

MASSON HEALTH SCIENCE, INC.
3700 Wilshire Blvd., Suite 1024
Los Angeles, CA 90010
Tel: 213-384-1200
Fax: 213-383-8044

89281

975 0162

LET

14462

3. Product Identification:

The trade name of the product:

Mineral Balance, 100% Natural Mineral Water

The common and usual name of the product:

Bando Water

A label copy showing all information displayed and provided to consumers is attached.

4. The text of the Structure/Function Statement:

Korean Peninsula is well known as one of the sites where dinosaurs lived during Mesozoic age. The water Mineral Balance collected from the sources became perfectly Ionized during Cenozoic era and turned into a good for health natural water. Regular drinking of Mineral Balance will help in maintain a healthy metabolic mechanism at a high level.*

5. Ingredient Statement

This product is a single ingredient product: Natural Mineral Water.

6. Intended Use:

This product is intended to be used as a beverage by persons over the age of 12.

Suggested use: Twice daily (morning and evening) at a total daily consumption of 250 mL (half bottle)

Caution:

1. Not recommended for persons with kidney disease or high blood pressure. Consult a doctor if you are pregnant or lactating.
2. If symptoms of diarrhea or any physical problem develops, discontinue drink this product and consult a physician immediately.

7. Statement of Affirmation:

We, as manufacture and distributor of the above mentioned product, affirm that we have substantiation that the structure/function statement (as shown in No. 4 above) made under 403(6)(r) of the federal Food, Drug and Cosmetic Act is truthful, not misleading, and scientifically valid and that the product does not present a significant or unreasonable risk of illness or injury under the conditions of use recommended or suggested in the label or labeling.

8. Disclaimer:

At the end of each structure/function statement, there is an asterisk that refers to another asterisk placed adjacent to the disclaimer. The disclaimer is placed at the bottom of the same panel or, in adjacent with the structure/function statement. The disclaimer reads:

**This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.**

Should there be any question or comment, please contact the Vendor through the information in No. 2 above, or contact the preparer of this letter:
